ALWAYS ON POINT

The ARIA POD ensure audio to both ear pods for exceptional audio quality through advanced TWS Technology. Enjoy all your music without missing a beat.

aria pod

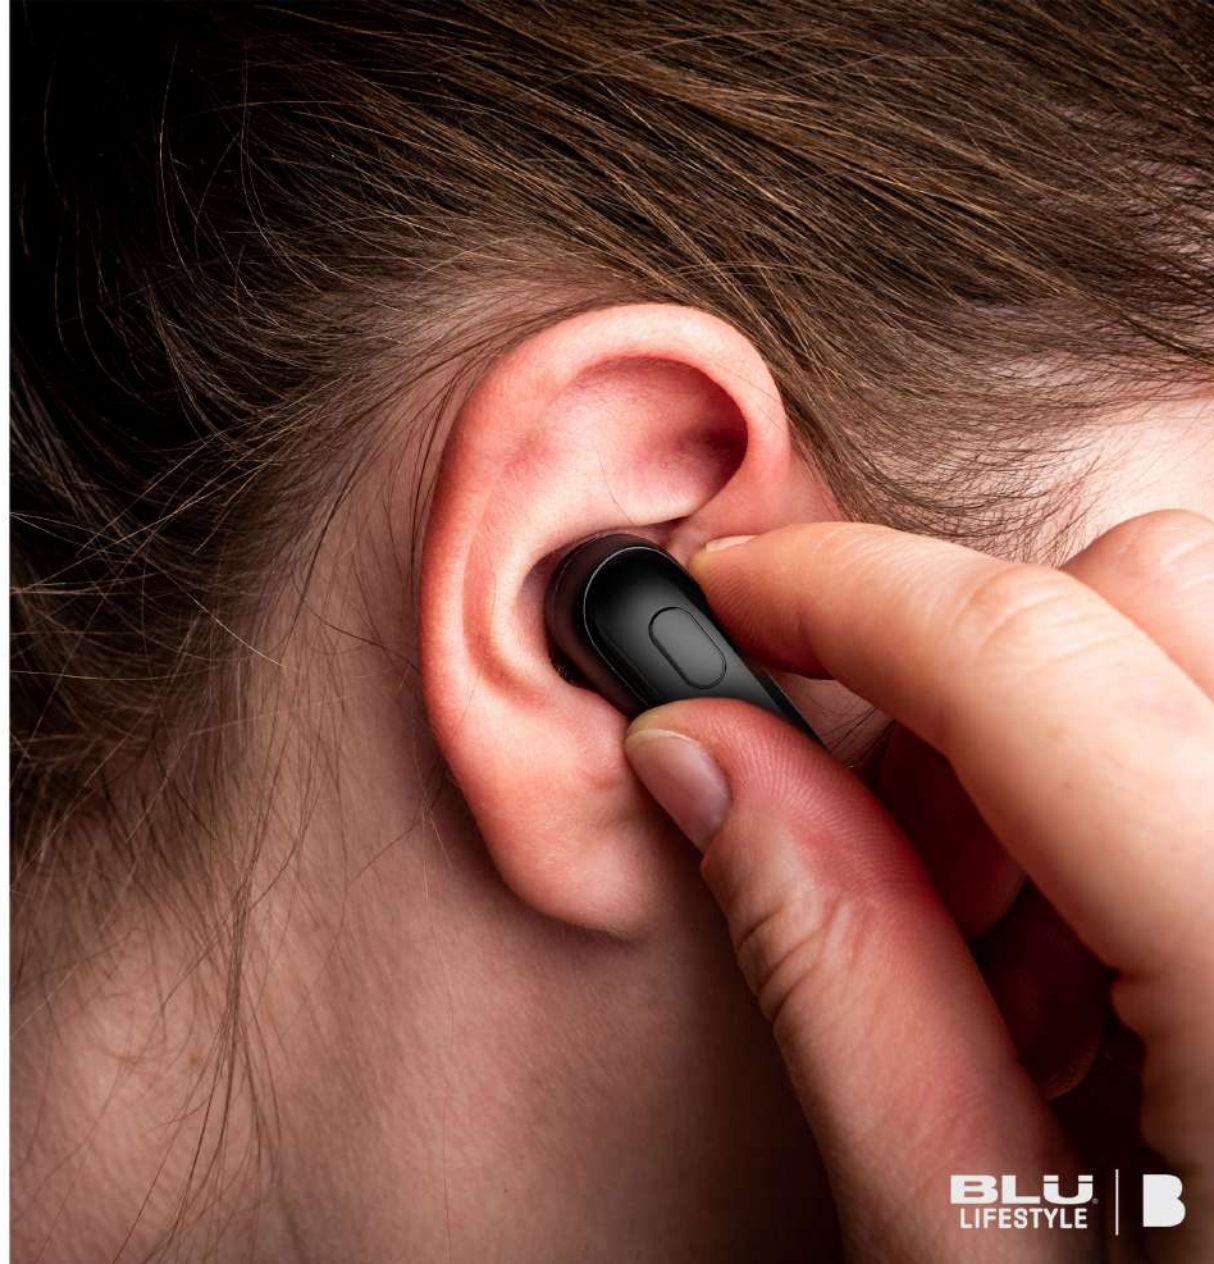

YOUR WAY ONLY

Tap to control delivers an efficient interaction and better listening experience. You can double-tap the headset to play music or receive an incoming call.

aria pod

COMFORT & SLEEK DESIGN

The elegant ARIA POD fits comfortably to your ear.
The round and compact charging box can be carried
around easily and freely.

aria pod

MADE EASY

The ARIA POD is automatically powered up by simply picking an earpiece up. The left and right earphones are connected by TWS and can also connect automatically to your device if there was a previous connection.

aria pod

SOUNDS RIGHT

The ARIA POD delivers perfect audio with a powerful 13mm dynamic driver setup. Super clean vocal and rich bass for the music lovers.

aria pod

CHARGE IT UP

The ARIA POD adopts the mainstream Type-C interface, which is thinner and smaller to achieve a greater power transmission.

aria pod

ALWAYS READY TO GO

9 hours of endless listening between the earbuds and charging case. Need to rock out right away? Get close to 2 hours with a brief 15-minute charge.

aria pod

ALWAYS CHARGED

Never worry about your ARIA POD running out of battery with the 300mAh Charging Box. Stress free music within reach.
